

## 3/4M and 4H Homework, Term 1, Wk3.

Name\_\_\_\_\_

On Saturday March 12th, Broulee PS will be hosting a stall at the Southeast Harvest Festival.

Part of your homework over the next 2 weeks will be to create something we can display.

It could be a poster, a fact sheet, a fruit or vegetable character, a diorama, a comic strip, a slideshow, some creative photos etc... of something to do with the theme for this year which is HEALTHY SOIL.

Other than just soil, compost and worms your activity could be about the fruit and vegetables that grow in soil.

Don't forget to let your parents/carers know it's on and encourage them to bring you along!!!
